

The Voice of South Frankfort

From the Chair

Serving as chair of our South Frankfort Neighborhood Association this past year has been a true blessing for me. I continually encounter smiling faces while discussing SFNA's activities and promoting our little community.

Last fall we held our annual picnic at Dolly Graham Park. The new location offered a safe place for the children to play and more room to spread out. With the new Fantasy Forest next to the park and continued support from the Frankfort Parks Department we look forward to going back this year. Picnic will begin after the July quarterly meeting. Please let us know how we can make it even better.

Outside of the annual fall picnic, SFNA carols around the neighborhood over the winter holidays, cleans up our streets in spring, and participates in other community events. The association meets four times a year, with a light dinner during a social hour prior to each meeting. We invite neighborhood organizations and individuals to provide updates and helpful information, and we always learn more about what's going on around us.

SFNA is committed to providing information on events and items of interest to our community. We encourage you to get involved and help us all maintain a community we are proud to call home. SFNA events are open to all supporters of South Frankfort — residents, members, or passersby. Your dues cover the printing of this flyer and a few supplies. Dues also help supplement our Randy Bacon Memorial Scholarship Fund — presented to a graduating senior who lives in South Frankfort and attends school within FISD.

I look forward to seeing you at our next SFNA quarterly meeting on July 26 and at our fall picnic at Dolly Graham Park on Sunday, September 23.

All the best,
Katie Carney, SFNA Chair

Plan to come early and
join us for supper.

July Quarterly Meeting

Join us on Thursday, July 26 at the South Frankfort Presbyterian Church using the West Third Street entrance. We will begin at 6 p.m. with a social hour where dinner will be available for a small donation towards a memorial for Bruce Cassidy.

At 7 p.m. our meeting begins with election of officers and a brief discussion of our committees. Our first speaker will be representative from the Access Soup Kitchen will provide an update on the men's shelter, so please bring a few non-perishable items to donate to the Soup Kitchen. A representative from the Frankfort Sewer Department will talk about an upcoming sewer project that will affect Louisville Hill, Taylor Avenue, and parts of Second Street. They will explain the schedule of construction and road closures, and will answer questions or concerns.

At the July quarterly meeting we hold our annual officer elections. While a slate of candidates has been established, we will accept nominations from the floor. If you are looking for a way to become more involved with your community, this is a great opportunity. Officers can serve in their elected positions consecutively for 3 years, but we understand that change is good. We are always looking for new ideas to strengthen what the neighborhood association can do for South Frankfort residents.
