

PROJECT GRADUATION

Frankfort High School c/o 2014

Graduation for the Frankfort High School Class of 2014 is fast approaching. Graduation from high school is one of the special events that stand out in all of our minds as both an educational milestone and a symbolic passage to adulthood.

Project Graduation is being planned to ensure a fun and safe evening. The goal of this event is to provide an exciting, fast-paced, all-night party that is free of alcohol and drugs, where students can celebrate their achievement in a truly safe environment. Further, this is an all night event that keeps our students off our roads on an evening that traditionally has a higher risk of motor vehicle accidents.

The entire evening is free to the graduates in order to reward them for a job well done and to encourage maximum participation. All costs are covered by tax-deductible donations from individuals and businesses in our community. Although your philanthropy is requested by many individuals and organizations, we think you will agree that this community-directed event to keep our children safe is well worth supporting. Your generous support will help make this event a success!

The students of Frankfort High School appreciate your support of this worthwhile and important event. We hope that you will join us in making a donation to the 2014 Project Graduation.

We hope you will join with your fellow members in the business community and demonstrate your support of this event by making a financial contribution or donation. Please fill out the attached form and mail it along with your check made payable to **Project Graduation** to:
